# EZ-MUV Shelf

## Introduction

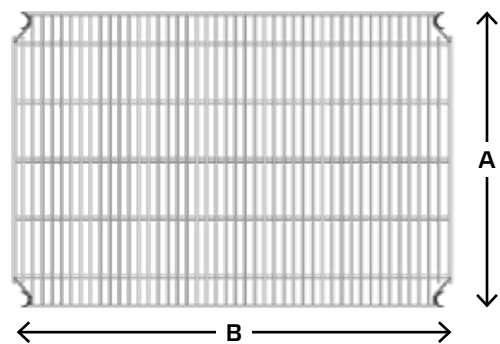

■ Introducing our new TSS patent pending EZ-MUV Shelf. This shelf was designed especially to make quick and easy changes to your TSS shelving units.

- > Built for strength and durability—up to 500 lb. capacity per unit depending on width.
- > Remove one shelf without removing all the shelves.
- > Minimum tools needed for assembly.
- > Interchangeable with current TSS shelving products.
- > Chrome is electro-plated nickel-chromed for a high gloss finish.
