The Basis for a Variety of Picking Jobs

■ **Wanzl's O.P.T. Cart can be used for many applications:** E-commerce or Warehouse Order Picking; Curbside Carts, and Mobile Storage.

1 Vertical Handles

For stability when climbing the optional ladder or everyday push/pull applications.

2 Ladder

The hinged ladder is equipped with a non-slip checkered rubber surface.

3 Divider

Used to separate orders.

4 Fold Down Ledge

To ease loading/unloading of products from the shelf.

5 Corner Bumper

Protects the cart and any obstacles in the surrounding environments.

6 Horizontal Handle

Improves ergonomics by easing the maneuverability of the cart.

7 Bag Holder

Allows storage of plastic bags for order picking.

8 Shelf Liner

Creates a "solid" shelf surface.
