| PERFECT PRESENTATION

with shelving systems from Wanzl

// wire tech 100® //

- A high quality, sophisticated system that focuses on simplicity & functionality.
- wire tech 100 was designed to provide a strong atmosphere, quick orientation & an enticing presentation of products.
- No tools needed for assembly or conversion.
- Merchandising space is increased by up to 13% in comparison to conventional shelving systems.
- Custom finishes available. **leadtimes may vary*

↑ **BE IT EVERYDAY ITEMS OR LUXURY GOODS:**

wire tech 100 offers your customers a host of different design options for different product segments.

→ **FULL SHELVES NOT ONLY ENSURE** that your customers can access the goods they want; they also significantly reduce the frequency of goods transportation between the warehouse and the sales floor. wire tech 100 from Wanzl is designed around achieving the best possible capacity utilization.

// YourTable //

- This multi-purpose presentation system was developed to provide the perfect sales space for any assortment.
 - Built to combine a variety of accessories and components to create a custom display for any product category.
 - Custom finishes available.
- *leadtimes may vary*

↑ **THE MODERN, CLEAN AESTHETIC** creates an inviting atmosphere designed to encourage the customer to browse your selection and stimulates their impulse to buy.

← **CHANGE AND EXPAND** YourTable in a few steps without the need for any tools.
