

## SMARTCELL<sup>™</sup> Shelving

Adjustable | Customizable | Efficient

- Fine mesh wire baskets come in various sizes and are suitable for mounting on louvered panels or cantilever pedestal frames.
- Adjustable dividers provide endless variations to storage space and also create opportunities to implement lean inventory management practices, such as Kanban and PAR level systems.
- All baskets are plated in hospital-grade chrome and the framework is finished with industrial strength powder coat to enhance the durability and longevity of the system.
- Bottom dust shelf/cover provides a barrier and protection to bottom basket contents, maintaining Joint Commission standards.
- Wide variety of accessories available to customize the system to your application.
